- Girls; if you carry a purse we recommend the type with sturdy over-the-shoulder straps or waist pack
- Travel alarm clock if you have one. (We do wake up calls, but sometimes you may want to wake up earlier)
- Please remember; we will visit some areas that discourage bags/backpacks. Be prepared to carry valuables compactly on your person when it is necessary to leave larger items on the bus.
- **Most Important;** be sure to bring good manners, cooperative spirit and enthusiasm!

Please Remember; the less you bring, the less you're apt to lose, and the less you have to carry! We do not use elevators and you are responsible for carrying your own bags.
